

THE GAME OF FOM 26

FULFILLING OUR MISSION

Each year, our FOM season—**Fulfilling Our Mission**—turns our daily work into something bigger, and in FOM26, that purpose comes to life as *The Game of FOM26*. More than a competition, it's a journey played one intentional move at a time, as our team works through a pre-game week, four rounds, and a final playoff week to reach our production goal—unlocking a \$1,250 weekly donation to BLESS OTHERS.

Guiding us is **Roxy**, our Rock'n In The Wild adventurer, leading us each week to connect, engage, belong, and BLESS OTHERS. With every move, we're not just playing a game—we're building as a team and preparing to make a real impact in someone's story.

18 WEEKS (or ROLLS). 6 PEOPLE & ORGANIZATIONS. 1 GOAL.

FIRST ROLL *connect*

The first move shapes the whole journey. Roxy slows down to learn the name, the story, and the heart behind who we are playing for. Every great game starts by knowing why it matters.

SECOND ROLL *engage*

The journey draws us closer. Roxy leans in, listens carefully, and invites us to do the same. This where curiosity turns into care and we begin to carry the story with intention.

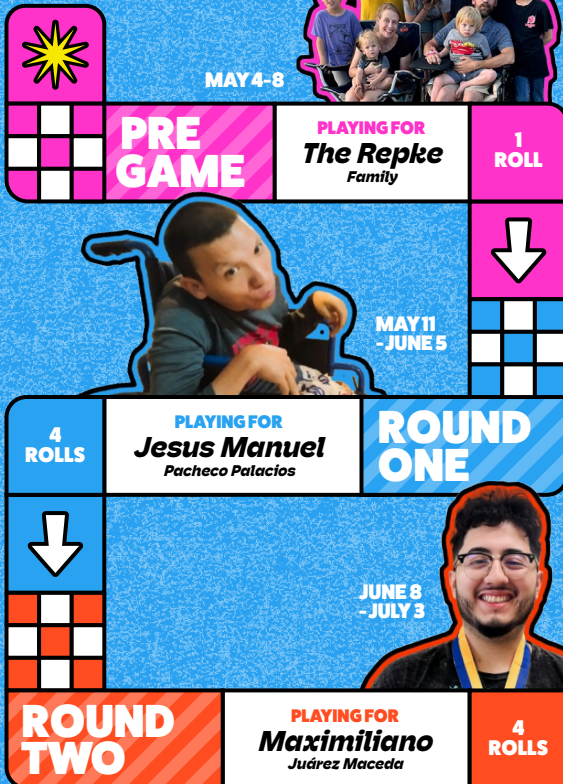

THIRD ROLL *belong*

We do not move alone. Roxy is not playing solo. She represents all of us. Together we rally, align, and step forward united, knowing the journey is stronger when we move side-by-side.

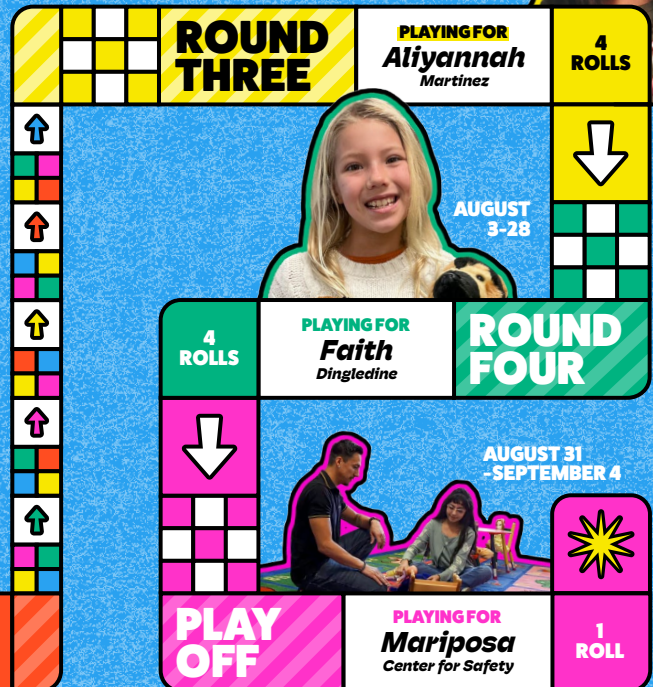

FOURTH ROLL *bless others*

The move that fulfills our mission. Roxy reaches the moment where purpose becomes action. What started as a game becomes something real, generous, and full of heart.
