

CONTINUED EDUCATION COURSE:

THE ART OF IMAGINATIVE PLAY!

DESIGNING FOR CREATIVE CLASSROOMS

AIA COURSE: FOM105

This session explores how the design of learning environments can support and encourage imaginative play. Together, we'll examine how thoughtful environments can foster creativity, connection, and whole-child development; inviting playful learning at every age.

LEARNING OBJECTIVES:

- 1 Understand the role of imaginative play in childhood development.
- 2 Explore the impact of spatial arrangement on play dynamics.
- 3 Identify key design elements that foster imaginative play.
- 4 Analyze & storyboard a play-centered classroom.

COURSE AVAILABILITY:

Schedule a free in-office Lunch & Learn and your Fōmcore Representative will deliver an AIA/IDCEC registered learning unit.

When you're ready to book your Lunch & Learn, contact mktg@fomcore.com!

COURSE ACCREDITATION:

Approved
Continuing
Education

1 American Institute of Architects (AIA) Learning Unit and Health, Safety, & Wellness credit (1 LU/HSW)
