

## STEP SERIES

# TWO STEP CURVED INSIDE CORNER

Product No. F087

The Two Step Curved Inside Corner is designed with a smoothly curved back, making it ideal for fluid, collaborative seating arrangements. Whether used alone or as part of a larger configuration, this piece offers versatile seating options that inspire creativity. The flat steps provide stable support, while the curved back adds a dynamic, modern touch. When combined with other pieces from our Step Series, this is the perfect addition to student-centered spaces like commons areas, media centers, the spaces in between, and more.
