

OTTOMAN & BENCH SERIES | HUDDLE BENCHES

HUDDLE BENCH

Product No. F144

Encourage collaboration, flexibility, and fun with these versatile nested benches, designed for K-12 classrooms, media centers, and common areas. The Huddle Bench Combo includes one large, two medium, and two small Huddle Benches that nest neatly for space-saving storage and easy reconfiguration. Rounded corners and a durable internal frame ensure safety and stability, while two included Huddle Pads add softness and color. Use the benches together for group work or separately for breakout spaces, perfect for dynamic, student-centered environments.
