

LOTUS SERIES | SENSORY AND SAFE HUG CHAIR 2.0

Product No. FK034

Sometimes, we all need a hug to feel better. The Hug Chair 2.0 mimics the original design of our Hug Chair with a few changes. When a student sits in the chair, the inverted arms create a light, calming reassurance. The rounded outside profile supports their arms hanging down, and the widened base allows for free movement of the hips. The Hug Chair 2.0 gives students an opportunity to self-regulate and keep the environment safe.
