

2024 CET SYMBOL UPDATES:

NEW FOR 2024

NEW PRODUCTS

- **Rock'n In The Wild**
Fully-foam animals that allow students to lightly rock back and forth.
- **Lil Explorers**
Shapes that encourage play-based learning in young students.
- **Weather Resistant**
Outdoor-friendly line that is durable, quick drying, and lightweight.
- **ROK Drop**
The ROK Drop is replacing the ROK Ottoman with a full-foam design and non-slip base.
- **Hug Chair 2.0**
This new design is being offered in addition to the original Hug Chair and promotes self-regulation for students.

PRODUCT PART NUMBER & DESIGN CHANGES

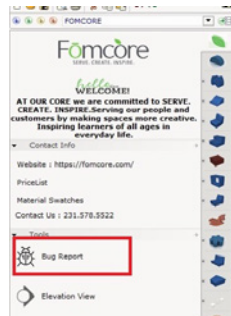

- **Rock'n Roller (NEW DESIGN) : F165**
Our Rock'n Roller is getting an updated look and is available in 3 different sizes.
- **FOM Desk (NEW DESIGN) : FK033**
The FOM Desk is now one piece and has a smooth arch shape.
- **Egg Pads**
Egg Pad names now include their corresponding Nests' names and use new product numbers.

NEW "BUG" FEATURE

You can now utilize this User Bug Report feedback submission process. See step-by-step instructions below.

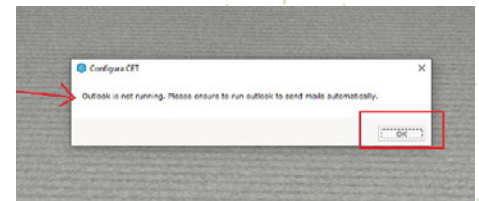

Step 1:

Click on the bug report

Step 2:

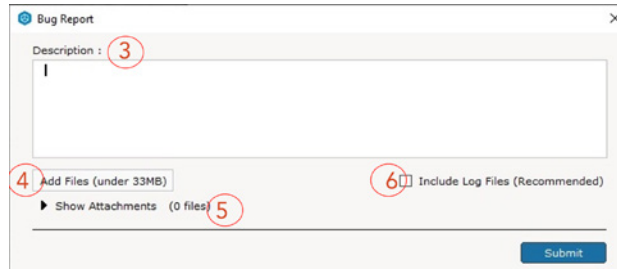

It will show the popup, click OK

Note: A user must logged in to the outlook

Step 3:

In description area, describe the bugs

The report will send to Misty (misty@fomcore.com) & Riverstone team

Step 4:

By clicking Add Files button, add files (video, images, log files) to demonstrate the bug

Step 5:

See uploaded files

Step 6:

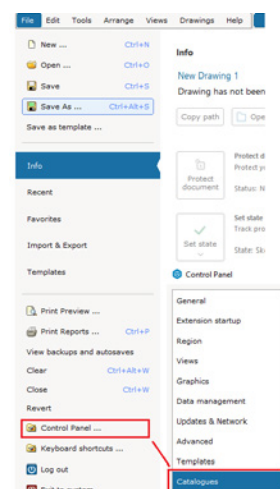

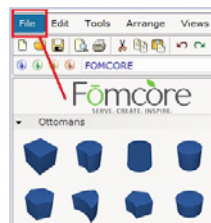

Check the Include Log Files box and click submit
